

Supervisor

Mark Ridley-Thomas

Los Angeles County • Second District

<http://Ridley-Thomas.LACounty.gov>

SUPERVISOR MARK RIDLEY-THOMAS is a long-time supporter of school-based health centers and has worked closely with Los Angeles Unified School District (LAUSD), Second District clinic providers and mental health providers to open twelve new school-based health centers in the Second District since taking office in 2008.

Please join us for a dialogue about the exciting efforts to open seven new school-based health centers in the Second District.

SCHOOL BASED HEALTH CENTERS IN THE SECOND DISTRICT - FORUM

Thursday, August 8, 2013 – 5:00 p.m.

Exposition Park Office – Administrative Offices East

700 Exposition Park Blvd., LA CA 90037

The Empowerment Congress Health Committee invites you to join a panel of speakers to learn more about LAUSD's capital campaign to invest \$34 million in school-based health centers across the district.

SCHOOL-BASED HEALTH CENTERS ...

Carson Wellness Center

Dominguez Wellness Center

Freemont Wellness Center

Jefferson Wellness Center

Locke Wellness Center

Manual Arts Wellness Center

SCHOOL-BASED HEALTH CENTERS are centered in schools and provide full range of age appropriate health care services, including primary medical care, mental and behavioral health care, health education, prevention services and nutrition education.

Students, their families and surrounding community members can rely on school-based health centers to meet their needs for a full range of health care services.
